

INTRECCIO DI ARTE, GEOMETRIA E INFORMATICA

CLASSE II A

**SCUOLA
PRIMARIA DI
CAMPOROSSO
MARE**

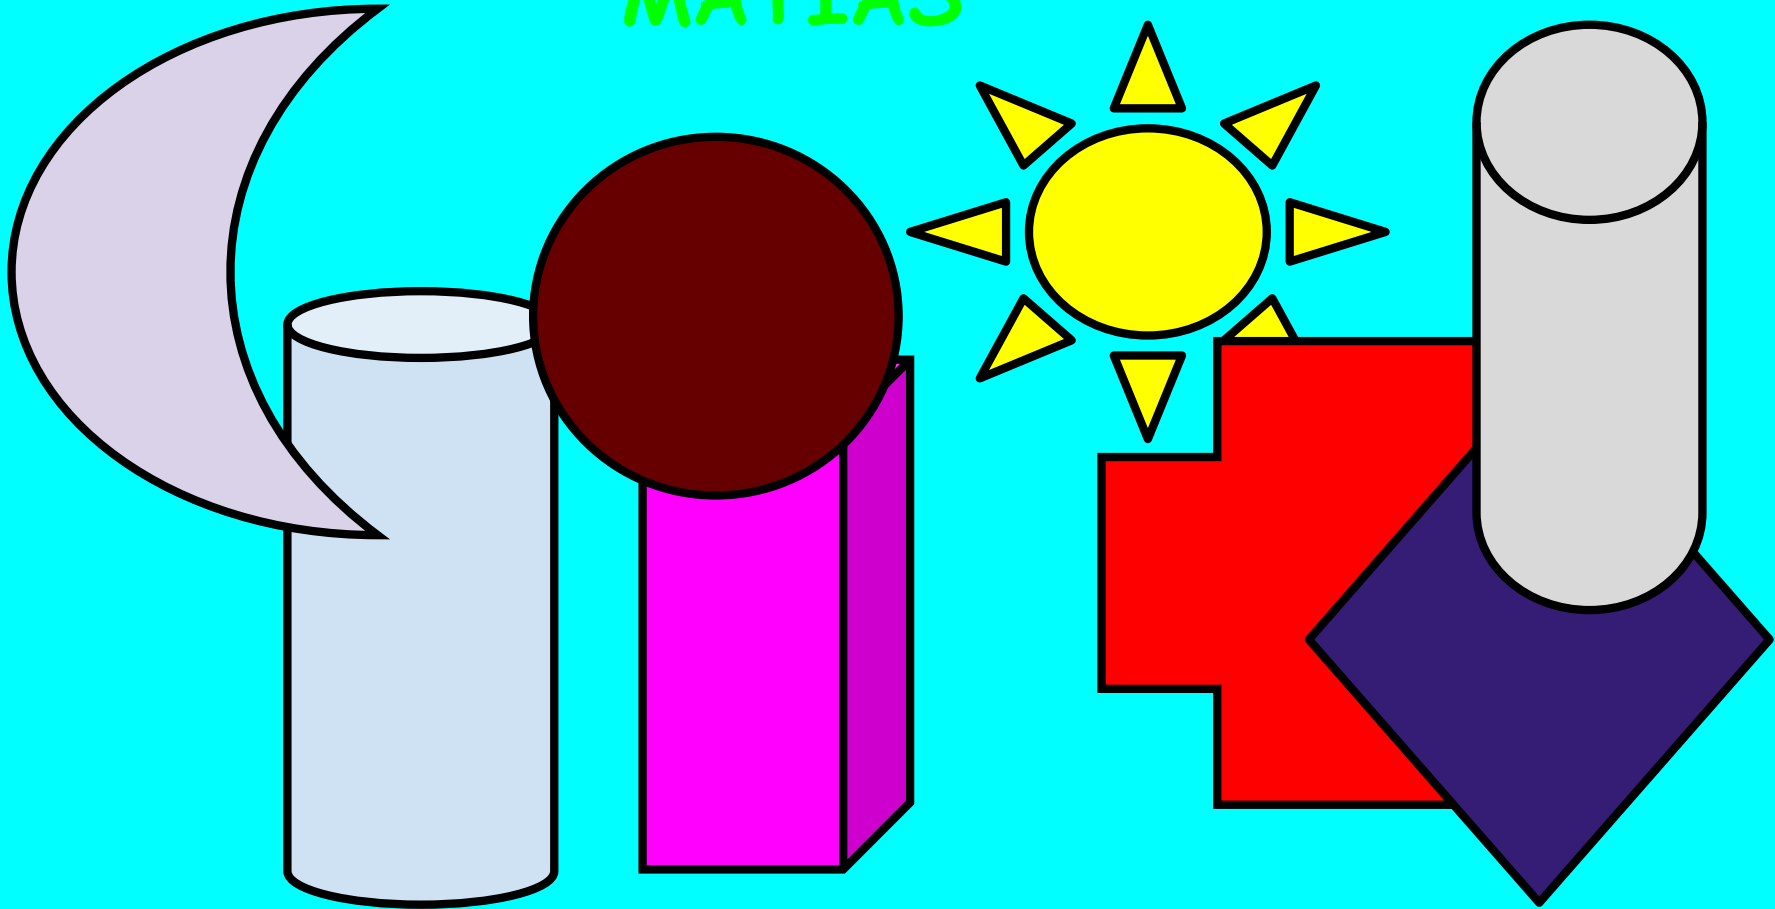

A.S. 2024 / 2025

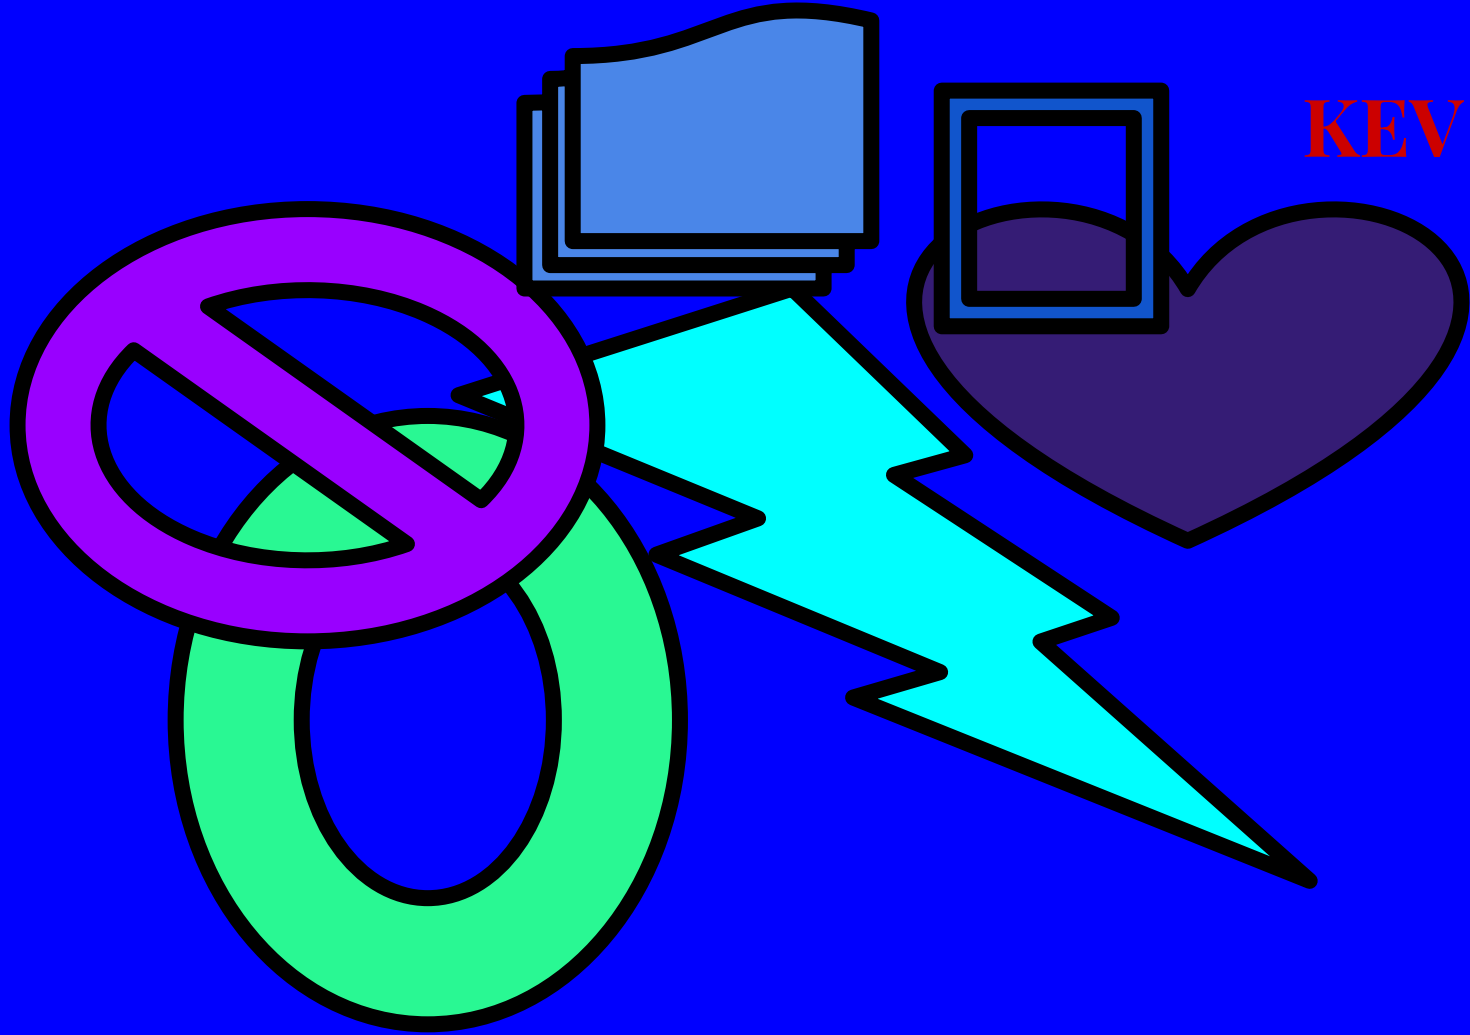

É stato bello scoprire che il pittore francese **Auguste Herbin** ha giocato con le forme e ha prodotto grandi opere artistiche.

Abbiamo preso spunto dal pittore
Herbin per realizzare delle slides
con forme geometriche.

Condotti dalla fantasia, abbiamo
realizzato con le forme dei
manufatti, ognuno diverso e originale.
